

**Avon Community School Corporation
2011 VIRTUAL Summer School**

This summer, Avon Community School Corporation is pleased to provide your student the opportunity to access on-line resources for maintaining mastery gained throughout the school year. These resources can be found at our **2011 Virtual Summer School** menu located on our district page and at the top of your school's web page side menu.

- **Destination Success Link:** includes a summer assignment and exploration mode to review or preview math and reading content (Username: Student ID/ Password: avon)
- **Printable Skills Packets:** printable resources for your child's recently completed grade
- **Pearson Successnet Math Link:** contains core math materials and online exploration mode to review math content or play content related games. (Username: student id/Password: student id)
- **Parent Resources and Educational Online Games:** includes a variety of online games and reading club opportunities.

It is our hope that your family takes full advantage of our **2011 VIRTUAL SUMMER SCHOOL** resources this summer to prevent the "summer loss" that affects many learners during the time away from school.
